Publications List

This publications list includes all the publications currently produced by the LFHS.

Two prices are given for each publication:

UK and EU - This price includes 15% VAT, where applicable, and should be applied to all orders from within the UK and European Union.

Non EU - This price does not include VAT and should be applied to all orders from outside of the European Union.

Highlighted items are new publications for

May-09

PLEASE NOTE:

All our publications are the work of volunteers and the copyright belongs to either the Society, or the Society and the transcriber. The data contained in LFHS indexes may only be used for personal research and not be published elsewhere without the consent of the Society.

A link to an index of surnames that appear in some of our publications may be found on the Lincolnshire FHS website <www.lincolnshirefhs.org.uk>. The publications concerned are highlighted in green. New publications (highlighted yellow) may also be included in this list.

For publications specific to Isle of Axholme parishes (Althorpe/Keadby, Amcotts, Belton, Crowle, Epworth, Haxey, Luddington, Owston Ferry, Wroot) e.g. baptisms, marriages and burials, please contact the Isle of Axholme Family History Society. Their website is linked from the LFHS website (see above). Some LFHS publications e.g. census indexes and those that use sources covering the whole county, or the Parts of Lindsey, will include Isle of Axholme parishes.

Most census indexes on microfiche were withdrawn from sale in November 2008. Other microfiche titles will be withdrawn when current stocks run out. The titles affected are indicated by a * in the "Format" column.

LFHS publications may be purchased on-line at

MISCELLANEOUS TITLES				
All the following CDs are in PDF format, fully searchable using Adobe Acrobat Reader version 6 or higher (not included on the CD), bookmarked and with a list of surnames.				
1796-1821	Death Duties - Lincolnshire Testators and Lincolnshire Beneficiaries. Extracted systematically from the Death Duty ledgers at The National Archives by members of the London Branch of the LFHS.	CD Rom	£11.73	£10.20
c1826-1844	General Loft's Lincolnshire Notes. Detailed notes on a number of parish churches, some with plans, plus many MIs recorded during the dates shown, and much more information of interest. Illustrated.	CD Rom	£11.73	£10.20
1753-1880	Lincolnshire Inquests Vol. 1 includes inquests from Quarter Sessions 1773-1848; Lincs Inquests 1753-1774; Caistor Area Inquests 1838-1880; Transcriptions of newspaper reports 1796-1850 (selected); LRSM 1813-1819 & 1839-1843 complete.	CD Rom	£11.73	£10.20
1809-1873	Lincolnshire Inquests Vol. 2 includes brief details from the inquests held by the Spalding area coroner between 1809 and 1873 and transcriptions of inquest and sudden death reports from the Lincoln, Rutland & Stamford Mercury 1844-1851.	CD Rom	£11.73	£10.20
1641/2	Lincolnshire Protestation Returns. In the spring of 1641/2 every man over the age of 18 was required to take an oath "protesting" his allegiance to the Protestant faith. The returns for Lincolnshire have been completely transcribed for this CD with the exception of the many examples of the oath itself that is given in full only once. The coverage of Lincolnshire is good, with Kesteven being the least represented area. A few returns include women, some give occupations or relationships; all are different in some way. A list of all the surnames with their variant spellings is given on the CD.	CD Rom	£11.73	£10.20
1725	Lincolnshire Poll Book 1725: a complete photographic record of this handwritten Poll Book that lists, by parish, all those who voted in the 1725 bi-election. Also includes a transcription and surname index.	CD Rom	£11.73	£10.20

Lincolnshire Family History Society Indexes on Computer Disks

The floppy disks for the census surname and marriage indexes are in text format with tab separators and as such can be opened in any spreadsheet, database or word processor.

The spreadsheet or database must be capable of receiving the relevant amount of entries; these are printed on the face of the disk.

Each disk contains a "Readme1st" file and it is important that this is read prior to using the information contained on the disk.
