

Dear Editor

I became a member of the LFHS earlier this year and have noted that you have a Mystery Picture section on the website. I wonder if you would be able to find a place for the four I have included in this e-mail.

I have been given some old photos from a relative and apart from knowing they come from the Paddison side of the family I don't really know any more. I believe the couple to be Henry Paddison and either his first wife Isabella nee Russell who died as a young woman or Henry with his second wife, Sarah nee Peacock. Henry (b 1815) was one of four brothers John, Charles and Thomas all born in Louth, Lincolnshire between 1812-1819. Henry died in 1897. At various times the Paddison brothers were involved in the carpet manufacturing business in Louth and in his later life Henry and Sarah lived in Bilsby Hall.

I have no idea who the ladies might be but perhaps there might be someone in the LFHS who might recognise them.

Many thanks for your help.

Susan Ison
